DATE: August 10, 2006

Attached is the August 2006 issue of the CH2M HILL Retirees Newsletter. This is likely the last issue that will be distributed from CVO. After 10 years since we started the Newsletter, Gordon Koblitz (DFW) has volunteered to take over this task and other retirees activities when he retires from full time work in coming September. Please forward your comments and/or recommendation directly to Gordon.

Thank you
